TIME . . .

To everything there is a season, and a time to every purpose under the heaven;

A time to be born and a time to die; a time to plant, and a time to pluck up that which is planted;

A time to kill, and a time to heal; a time to break down, and a time to build up;

A time to weep, and a time to laugh; a time to mourn, and a time to dance;

A time to cast away stones, and a time to gather stones together; a time to embrace, and a time to refrain from embracing;

A time to get, and a time to lose; a time to keep, and a time to cast away;

A time to rend, and a time to sew, a time to keep silence, and a time to speak;

A time to love, and a time to hate; a time of war and a time of peace.

Ecclesiastes
3:1-8

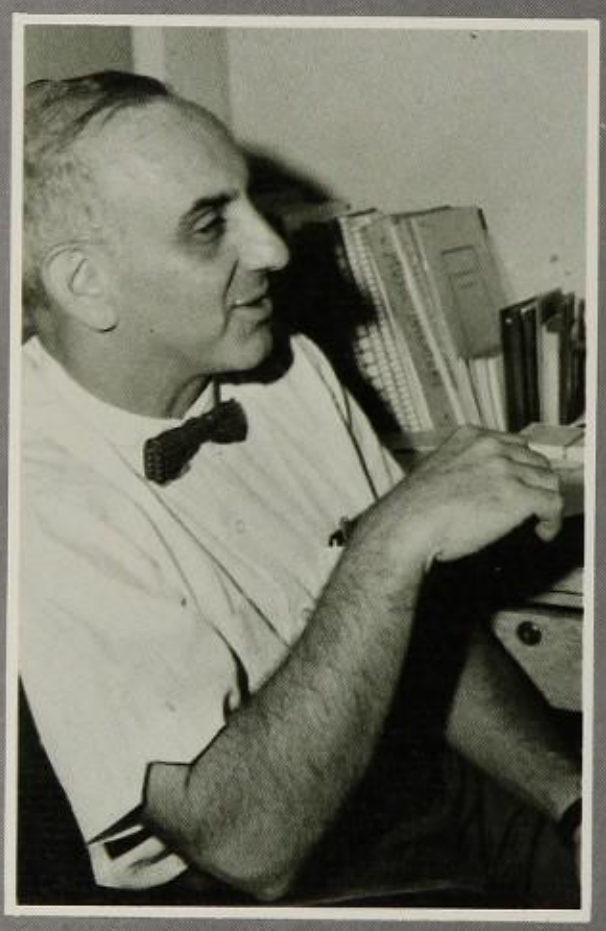
A Time for Peace



Mr. Nelson,

We, the members of The Senior Class of 1970, wish to dedicate this year's Minaret to you. Throughout our years at East High School you have successfully provided us with an outstanding marching band and orchestra which greatly helped to boost our spirit and loyalty, and gave us something of which to be proud.

We shall never forget the terrific times we had in our pep assemblies and in section 5 at the Rubber Bowl, singing, and cheering along with the band. Nor shall we forget the splendid way in which the band represented our school during halftime.

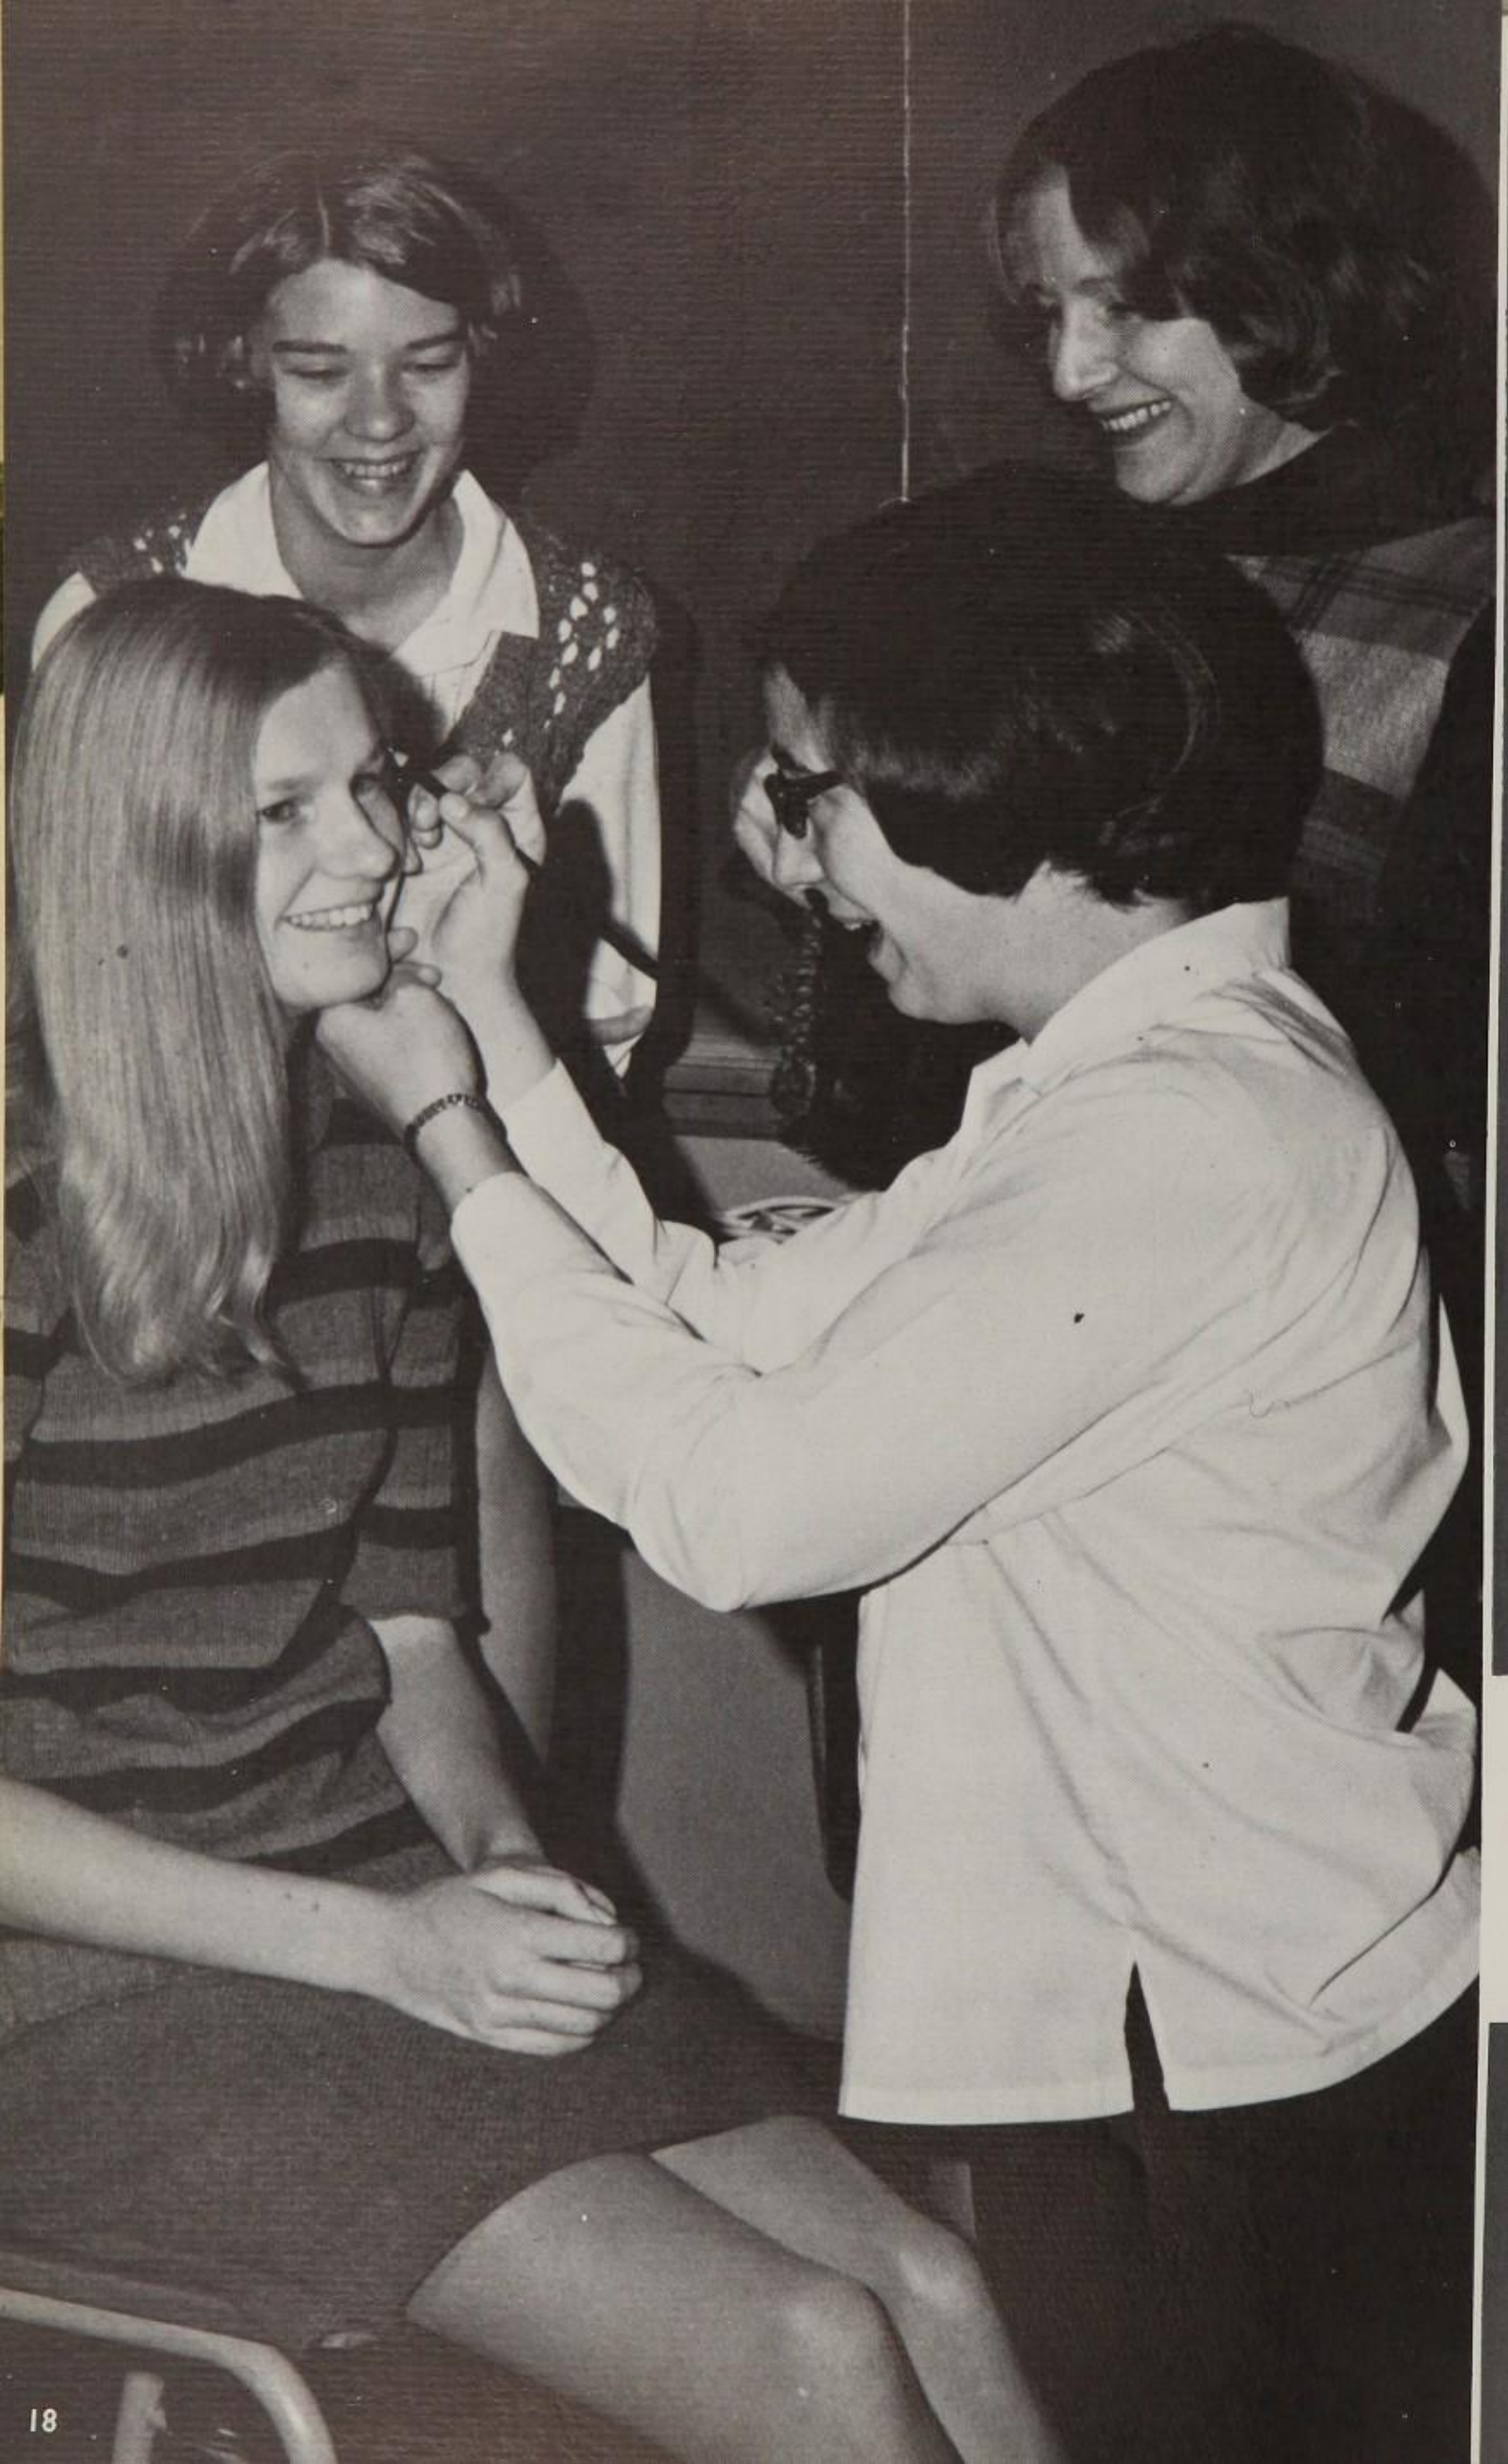
We are remembering, too, your work in organizing and directing the fine orchestra whose music brightened so many assemblies during our years at East.

We wish, then, to thank you in this special way for all you have done for us. We shall always remember you when we recall the Loyalty played by the East High Band; East High first, East High last, East High best of all . . .

With affection,

The Senior Class of 1970

DEDICATION



FACULTY

Administration

We are proud and privileged to have as our administrators two such capable men as Mr. James Appleby, principal, and Mr. Michael Krino, assistant principal.

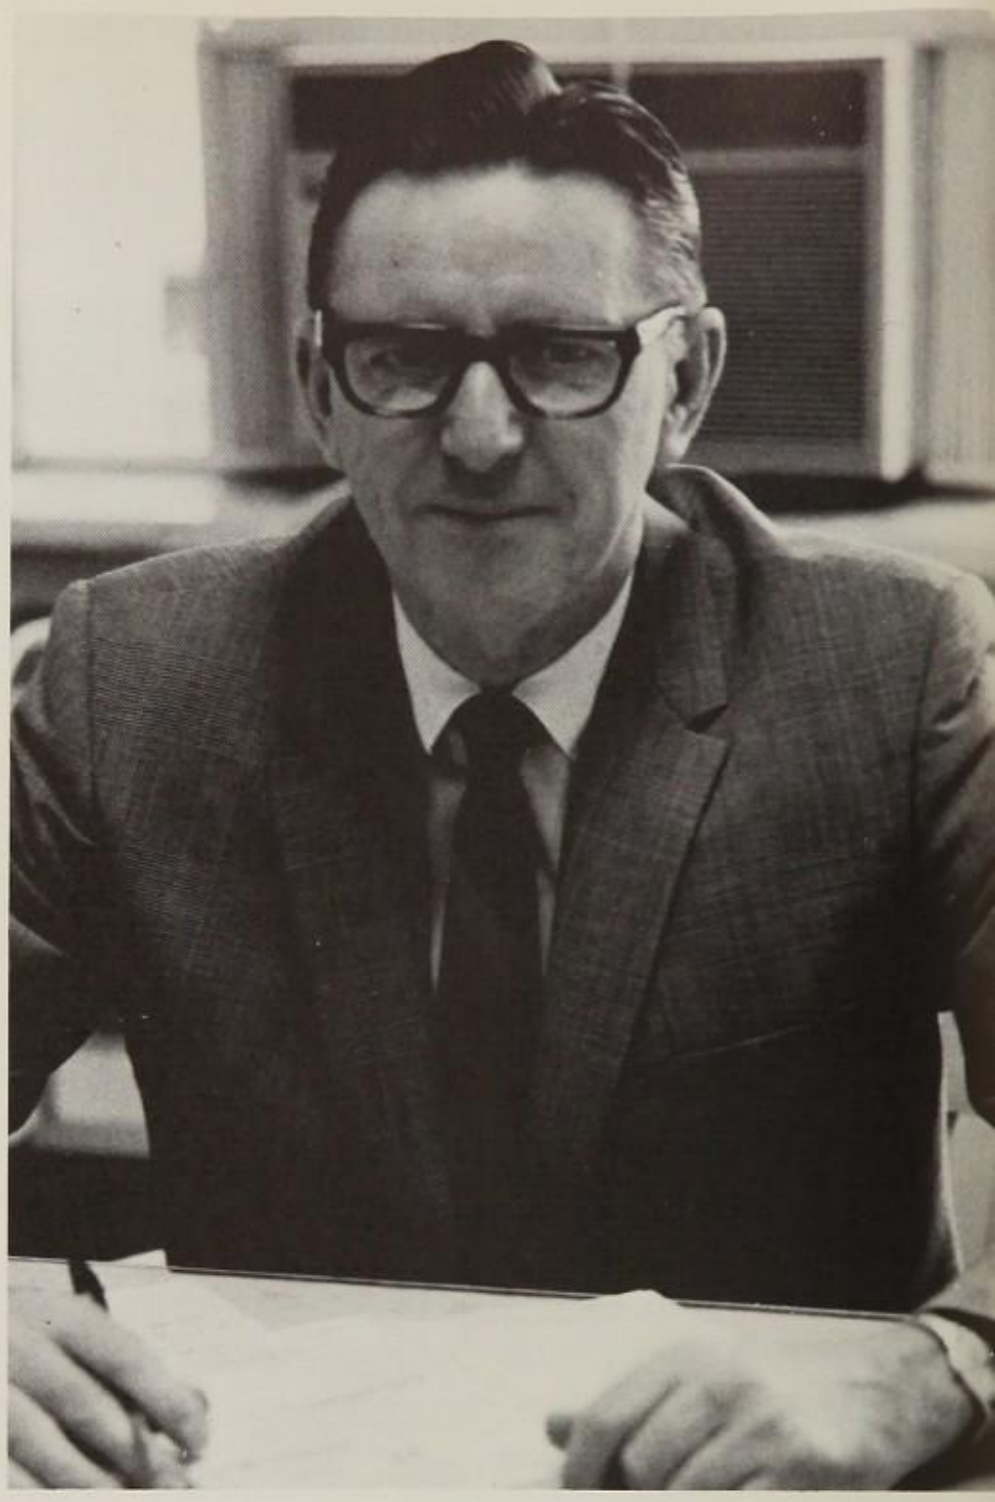
We are happy to welcome Mr. Appleby back to his Alma Mater after his several years' service as principal at West Junior High. Before this he taught physical education at Lincoln Elementary School and was a successful basketball coach at Central High School.

Mr. Appleby received his Bachelor of Education degree from the University of Akron, and his Master's degree from Kent State University.

Mr. Krino, also a graduate of East, returned here to teach and coach before being appointed assistant principal.

In 1951 Mr. Krino was selected Coach of the Year. A founder of the Hall of Fame, he is also an active member of the Phi Delta Kappa executive committee and the Northeastern Ohio District Board of Athletics.

Mr. Krino completed work for both a Bachelor of Science and a Master of Education at the University of Akron.

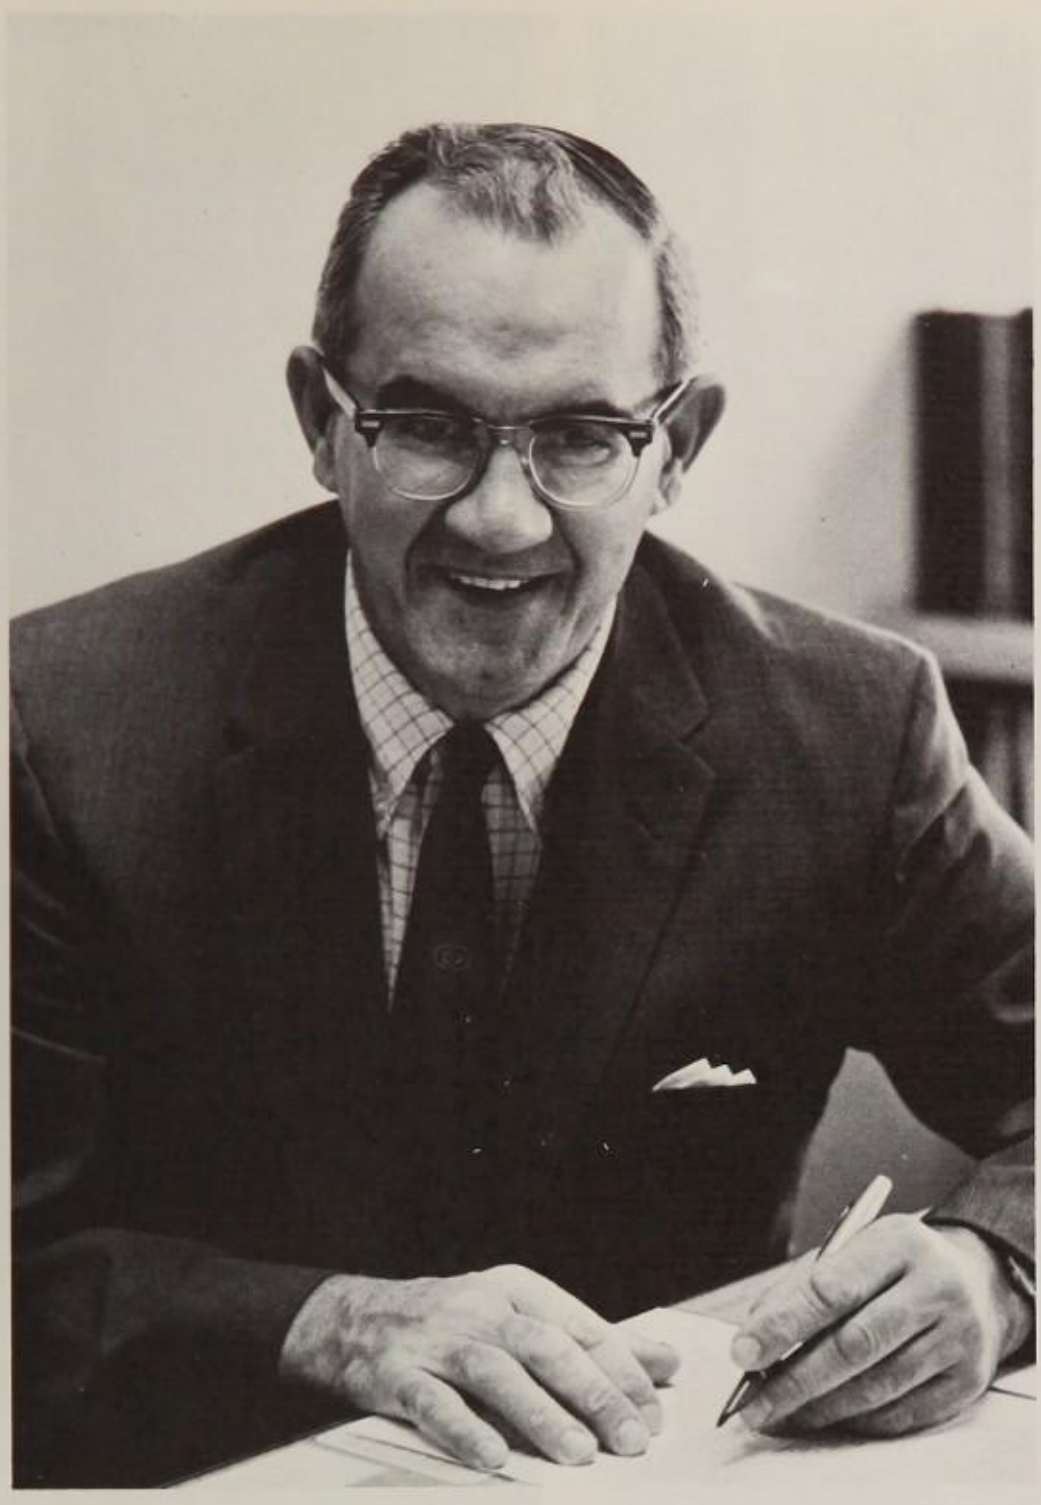


MR. APPLEBY

East is privileged to have two dedicated, efficient and hard-working secretaries as our Mrs. Bernadine Davis and Miss Liberty Manos. We are most proud to have these East High graduates return to perform their many duties and help run the office with vigor and precision.

MRS. DAVIS

MISS MANOS



MR. KRINO

MR. MARTIN

MRS. PICCIOTTI

MRS. WITHEROW

Helping our chief administrators are three intelligent and skilled counselors: Mr. Russell Martin, Mrs. Rose Picciotti, and Mrs. Janice Witherow. East students are fortunate to have three such worthy people to whom they may go for help and advice.

Mr. Martin is well equipped for guiding the 12th grade class, having earned B.S. and M.S. degrees and a Guidance Counselor Certificate from the University of Akron.

Advising the members of the junior class is Mrs. Witherow. This understanding and thoughtful counselor received her B. S. degree from Kent State University and attended Akron University to qualify for her guidance position.

Mrs. Picciotti employs her fine educational background to counsel the East High sophomores. Both her B. S. and M. S. degrees were earned at the University of Akron.

SENIOR HONOR AWARDS

The Loyalty

Sing a song of happy days,
School days best of all;
When we sing our loyal praise,
East High we recall;
East High first;
And East High last,
East High best of all.

(Chorus)
East High, we're loyal to you.
We will give our best to you;
In all our studies and play
We'll be boosters for the Scarlet and Gray
And when all our school days are o'er,
And the years are passing by,
We'll be happy in the mem'ries
Of our dear East High

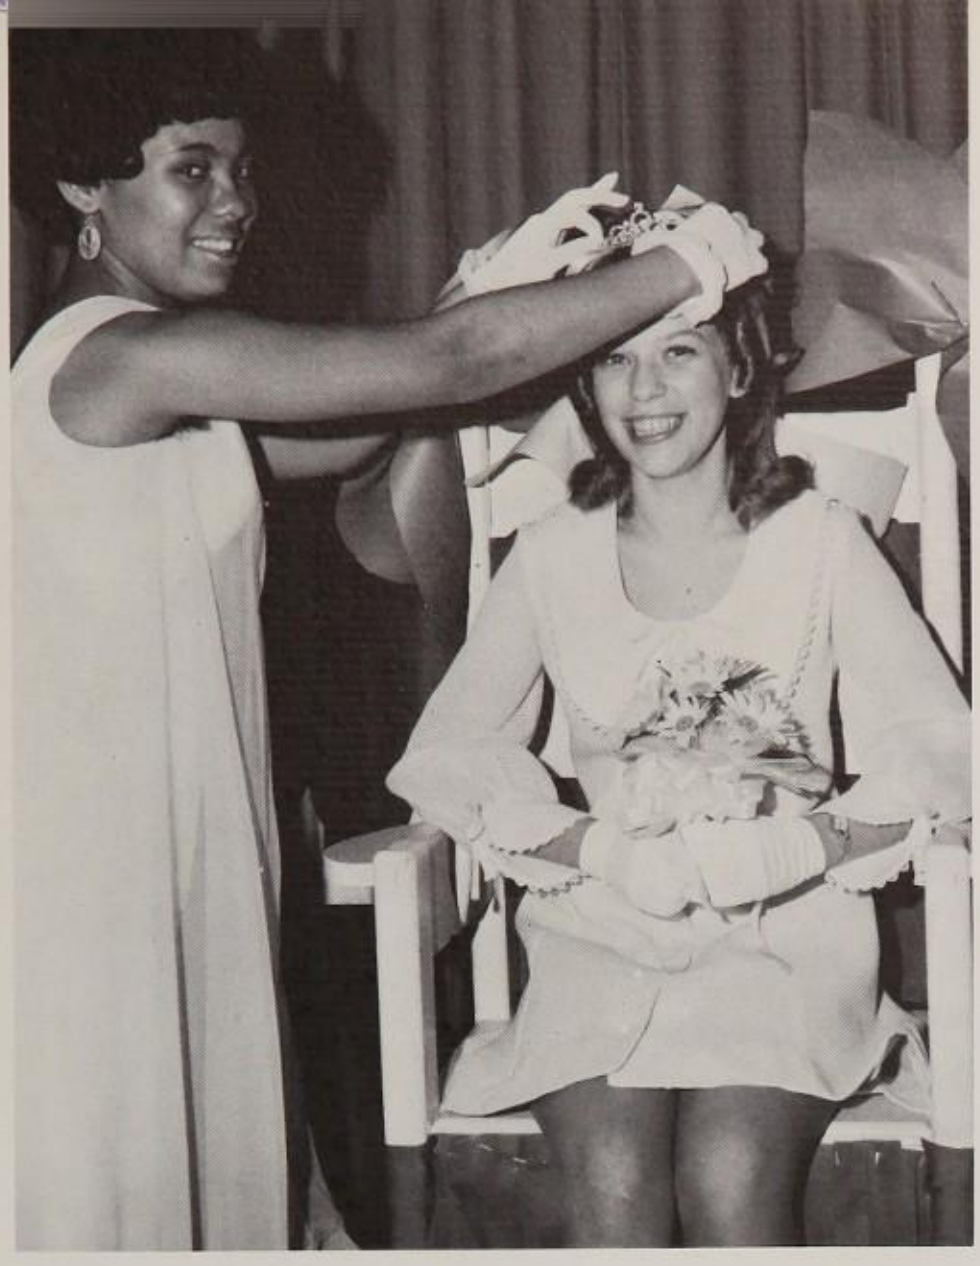
A Time to Celebrate. . .

The 1969 Homecoming festivities sponsored by student council highlighted the fall season. Everyone enjoyed the fun-filled pep assembly, the exiting football game against Kenmore, and the enchanted evening at the annual Homecoming Dance.

Having as its theme "Age of Aquarius," the dance was held in the school gymnasium. Students transformed the gym into a lovely setting of blue and green for this memorable occasion. The members of the Homecoming court and queen, Pam Brannon, were honored guests. Entertainment was provided by the singing "Hi-Lo's," a fortune teller and "The Same Kind."



East High's 1969 May Court reigned in splendor during the May Day activities. It was presented to the student body at a colorful spring assembly by Student Council president, Jerry Beres and vice-president, Kathy Callahan. Reigning as queen was junior, Winnie Wilson, escorted by Carl Myers. Her attendants were senior, Shirley Long, juniors June Jernigan, Pam Brannon, Beverly Smith and Mary Callahan, and sophomore, Rita Opelenik. They were escorted by George Haidet, Joe DeAngelis, Andrew Gazdaco, Randy McMillan, Roger Briggs, and Mickey Pappano respectively.

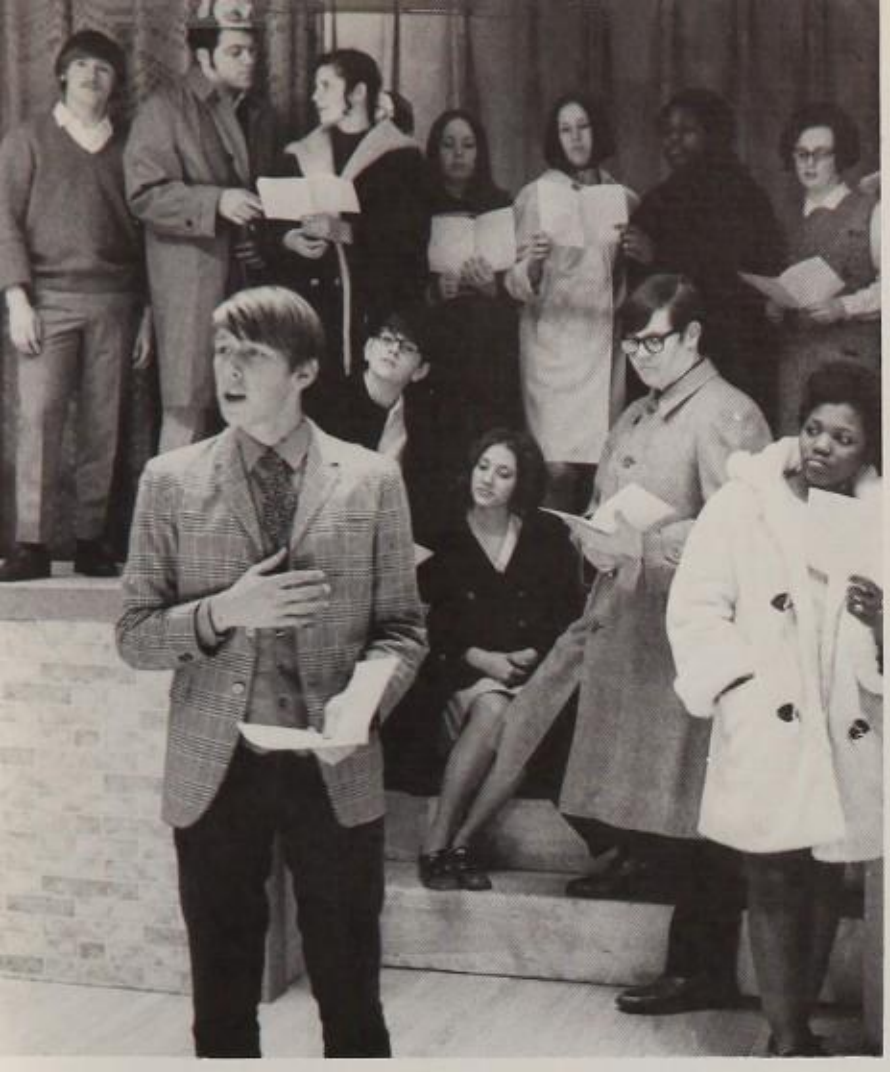
The musical accompaniment was supplied by Joanne Bader, Bob Campbell, Rick Jameson, Jill Stewart and Howard Taylor.



East High Orchestra

The East High Marching Band is always a great boost to the spirit and sportsmanship of the student body. Members of the band displayed much skill and talent during the 1969-70 school year. SPORTS

Football 1969

The Rubber Bowl became alive with a cheer from the crowd to begin the 1969 football season for the fighting East High Orientals.

Many long hours during the summer had been put in by Coach Patella, his staff and players in preparation for the football season.

With only six starting seniors, the team was plagued with lack of experience. But spirit and courage made up the deficit. Each time they lost, the team came back to try again for victory the next week, and each time they won, the pride held by East students for their team grew. It was this pride and faith that helped the Orientals land a spot in the playoffs.

The team's city series record was 4-2 and this gave them hopes of regaining the City Series title. But luck was not with them. On the freezing night of November 14, they were defeated by arch-rival Garfield, 22-0.

Although the hope for the title was not achieved, the Orientals gave it a valiant try, and in the hearts of every student and faculty member at East, Coach Patella, his staff, and the 1969 football team will always remain number 1!

Even though the Orientals were unable to make the play-offs, this year's 1969-70 basketball team deserves much credit. Opening their season with two exciting wins over Ellet and Buchtel, the East cagers were high for the games yet to be played. But a close loss to Central dampened their spirits and the season rolled on, with the Orientals losing several games by only a few points. They closed their regular season play with a 5-10 record over-all and a 2-6 city series record. In Sectional Tournament play, the Orientals had an easy victory over Field with the score 71-60. They lost their second round of play to Hudson by one basket in the last seven seconds.

The East High student body is extremely proud of their basketball team, for it proved that East High never quits.

Golf 1969

The 1969 Golf Team had a fine season under the direction of Coach Patella. The team traveled to many different courses to play their opponents. Although this year's team was small in number, the interest aroused will insure greater participation with a new season.

The 1969 Oriental baseball team is one which the students of East can truly be proud of.

Coached by Don Young, the team combined powerful hitting with strong pitching to form one of the best baseball teams East has ever had.

In Sectional Tournament play, behind the pitching arm of Tom Lantz, the team had three decisive wins over Ellet, Hoban and Walsh, and defeated Canton Lincoln for the District Championship title. Advancing to Regional play, East lost their hopes for the State Tournament with a 3-0 shut-out to St. Joseph in a hard fought and heart breaking game.

Despite the loss, the Orientals came back to gain the City Series title with a 19-5 record overall, and a 5-3 record in City Series play.

Track 1969

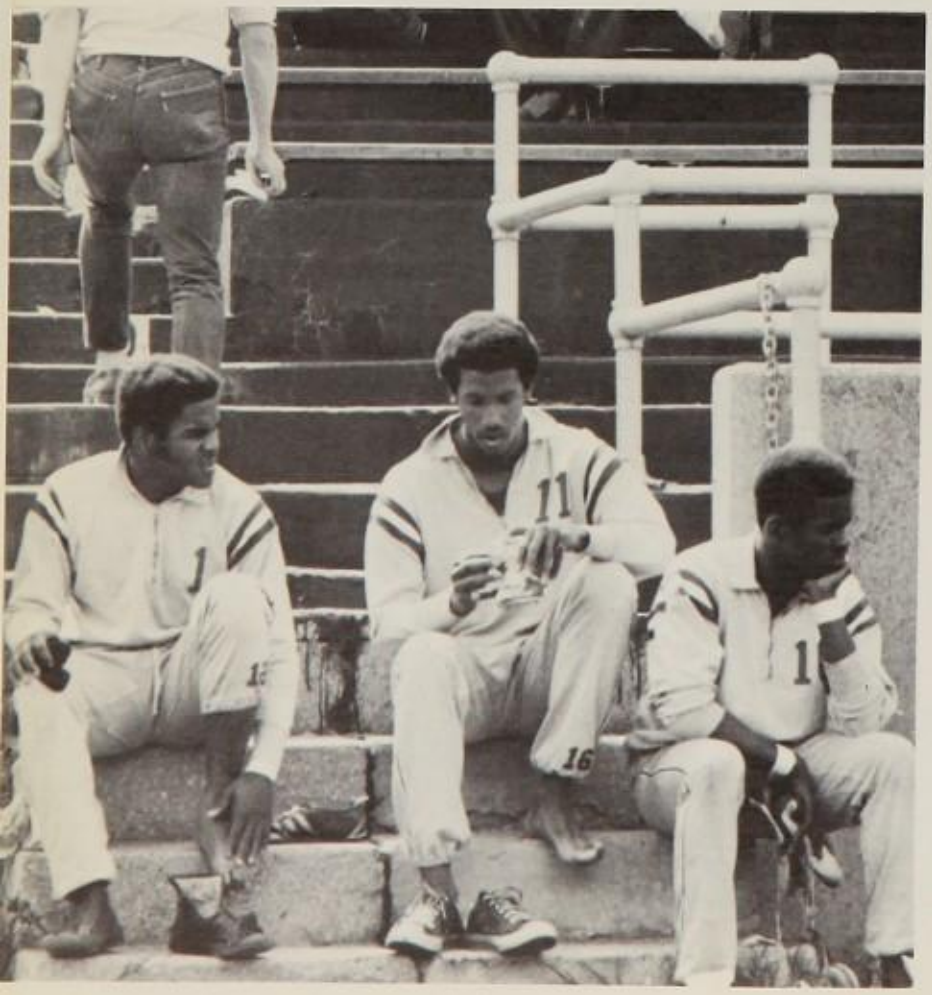
The 1969 Oriental track team blitzed right hrough another magnificent season and successfully added one victory after another to East High's tremendous record. Through the constant and dedicated efforts of the team and the outstanding coaching ability of Coach Dick Sapronetti, the Orientals made a superb showing at the district meet dropping only to Garfield High School. This unfortunate defeat ended East's hopes for a fifth consecutive championship, but awarded them the secondplace title.

A similar story is told about the city meet in which the Orientals were defeated by Firestone. They had to be content with second place after being upset in a try for their fourth straight city championship.



Varsity E

One of the most respected clubs at East is the Varsity E Club. Under the sponsorship of Mr. Shuman, the club trys to maintain a high standard of athletics and sets moral and ethical examples for proper behavior on the sportsfield and in the classroom. Each member must have won a varsity or manager's letter in a school sport.

Gymnastics 1969

Ruthann Koroly and Carol Brown made up East High's 1969 Gymnastic team. The girls worked as partners and also individually in competition. Carol took second place in the city in floor exercise, and Ruthann took first place in tumbling.

A TIME TO REFLECT

And so the 1969-1970 school year comes to a close with every senior taking with him cherished memories of his past three years as an East High Oriental. We, the editors of this year's Minaret, have tried to capture these memories and arrange them in such a way as to reflect the time spent at East which has been so important in your lives.

We have tried in the making of this book to put in what you, the students, would most like to have and appreciate. This includes all events and aspects of life here at East which we hope make this year's Minaret something you will cherish, something that will bring back to you memories of this past year.

But we could not have made this book of reflections alone. We extend deep gratitude to our staff, which includes seniors: Joanne Bader, Donna Carder, Dan Ewing, Jim Hymes, Glenda James, Craig Johnson, Jackie Watson, (typists) - Linda Tudor and Debbie Elze, juniors: Randy Hudson, and Bobbie Pavkov, and sophomore Mary Cavender for offering suggestions, bearing great responsibilities and giving personal support. Together they have worked hard to help produce a new and striking yearbook. We would also like to thank our photographers, Mr. Fitzgerald and Mr. Freeman, for providing us with individual portraits and many candid shots. Most of all we would like to express our sincere appreciation to our advisor, Mr. Wise, who helped make this book possible.

So to you, the seniors who are graduating, and to you, the juniors and sophomores who are returning to be the new leaders of East, we give the 1970 yearbook. In it is a part of us, a part of you and most important, a part of the memories which will always be held for our dear East High.

Sincerely,

Donna Butz, Co-editor
